

## Experienced Auditor – Certified Public Accounting Firm | Orange County, CA

**Location:** South Coast Metro, CA **Job Type:** Full-Time (In-Person)

### About Us:

- At MM & Company LLP, we take pride in delivering exceptional audit and accounting services tailored to small businesses. As a tight-knit CPA firm, we value collaboration, integrity, and professional growth. Our clients trust us to provide insightful financial guidance, and we are looking for a dedicated Experienced Auditor to join our team and make an impact.

### Position Overview:

- We are seeking an experienced **Auditor** to join our diverse team. The ideal candidate will have a strong background in auditing, financial reporting, and risk assessment. This role is ideal for professionals who excel in problem-solving, client communication, and audit execution. The position offers growth into a management position.

### Job Qualifications:

- Bachelor's degree in Accounting, Finance, or related field.
- Minimum of 4 years audit, review, compilation and accounting experience in the commercial and non-profit sectors or benefit plan audit experience a plus; public accounting preferred.
- Experience in supervising staff and managing workflow.
- CPA license required (or eligibility).
- Well-rounded knowledge of U.S. Generally Accepted Accounting Principles (GAAP).
- Knowledge of Generally Accepted Auditing Standards (GAAS) and Statement of Standards of Accounting and Review Services (SSARS).
- Knowledge of accounting and bookkeeping software including, but not limited to, QuickBooks, ProFx and Engagement, experience in the private sector acceptable.
- Excellent analytical, problem-solving, and communication skills.
- Ability to work with multiple clients and deadlines effectively.
- Bilingual (Spanish-English) candidates are encouraged to apply.

### Job Responsibilities:

- Lead and manage financial audits, including risk assessment and planning.
- Evaluate internal controls and ensure adherence to industry standards.
- Prepare and review financial statements and audit reports.
- Provide guidance to clients on financial regulations and best practices.
- Mentor junior audit staff and support their professional growth.
- Stay up to date with GAAP, tax laws, and auditing standards.
- Working closely with firm Partners.

### What We Offer:

- Competitive salary and benefits package.
- Benefits after 60 days.
- Supportive team environment with direct leadership access.
- Opportunity for career growth and professional development.
- A flexible work culture that values work-life balance.
